INTRODUCTION

The Bachelor of Commerce (B.Com) is offered through online distance mode and is one of the most popular undergraduate programmes preferred by students after completing their senior secondary. The course curriculum is designed by experienced educators and comprises the fundamentals of business and monetary fields. The curriculum modules cover the topics of business governance, market analysis, and fiscal management. This six-semester online distance mode programme offers flexible learning options to pursue higher education. Our programme curriculum covers essential commercial theories, standards, and procedures to boost analytical and technical competencies. The B.com degree programme acts as a transition for career opportunities in competitive exams for the banking, finance, and corporate sectors.

MISSION

- ❖ To motivate students to understand the business communication theories and effective corporate communication management tactics.
- ❖ To encourage them to write business proposals and understand business and financial challenges to make informed decisions.
- ❖ To prepare students for professional ethics and a strategic approach to career progression

OBJECTIVES

The main objective of the B.Com. (Online Distance Learning mode) programme at MUDE is to encourage students to develop lifelong learning skills and understand the role of digital literacy that helps them to balance their personal and professional commitments. The course curriculum is prepared with industry-aligned topics to enable students to excel in academics and their chosen careers.

INSTRUCTIONAL DESIGN

The programme is segmented into four semesters, and the total credit requirement is 120 to get an ODL B.Com degree from Mangalayatan University. The minimum time period to complete the B.Com degree programme will be three years, and the maximum time period (extended) is four years to pursue the ODL B.Com degree.
