MASTER OF COMMERCE

COURSE BROCHURE (2026-27)

INTRODUCTION

The Master of Commerce (M.Com) is offered through online distance mode and is one of the most popular postgraduate programmes preferred by students after completing their graduation. The M.Com programme equips students with a solid grasp of commerce and business studies. The course curriculum is designed to cultivate students' essential knowledge and skills that span a wide range of business and financial sectors. This four-semester programme aims to prepare graduates with the fundamentals of corporate governance, economic analysis, and financial management.

The M.Com (Online Distance Mode) programme has been designed for the convenience of students with flexible learning options to pursue higher education while maintaining a balance between personal and professional commitments. qualification for students and allows them to pursue further studies for specialization courses. The programme also acts as a transition for various competitive examinations, such as those in the banking, finance, and corporate sectors.

MISSION

- ❖ To develop core concepts of business principles and communication theories with practical applications in maintaining corporate communication.
- ❖ To foster critical thinking ability for business and financial challenges to make informed decisions.
- ❖ To prepare students for professional ethics for a strategic approach resulting in long-term career growth.

OBJECTIVES

The primary objective of the M.Com (Online Distance Learning mode) programme at MUDE is defined with a comprehensive course of study that provides profound insight into business acumen. The course curriculum includes industry-relevant topics, enabling students to gain both academic and practical skills. Students will gain an in-depth understanding of core business disciplines to prepare them for the competitive business landscape, with a key focus on the core values of professionalism and ethics for long-term career growth.

INSTRUCTIONAL DESIGN

The programme is segmented into four semesters, and the minimum credit requirement is 80 to get an ODL M.Com degree from Mangalayatan University. The minimum time period to complete the M.Com degree programme will be two years, and the maximum time period (extended) is three years to pursue the ODL M.Com degree.
